HAPPY THANKSGIVING THANKS VETERANS

CRIME WATCH

A couple of tips especially for the ladies, from Lawrence Police Department

1. Always keep your purse in front of you no matter where you are.
2. In a parking lot, be aware of those around you. When you feel it's safe, go directly to your car. Get in lock the door and leave quickly. Don't stop to use the cell phone or apply make-up.

Tips for everyone: If you see or hear anything suspicious, call the Lawrence Police Department at 545-7575. Be sure to give them your building number as well as your address. They need this information, to locate you quickly. Everyone needs to know his/her building number.

PROTECTING YOUR HOME

The following info was taken from the Indy Star.

- **Lock all doors
- ** Don't reveal travel plans on voice mail or elsewhere
- **Have motion lights installed

outdoors.

**Make your home look like someone is there. Put lights and televisions on timers to come on at dusk and go off at the time you usually retire for the evening.

**Stop your mail and newspaper delivery.

**Have someone check your house daily.

**And, State Police say, watch out for your neighbors' homes and call 911 immediately if you suspect a break-in

NOVEMBER HOLIDAYS

Veterans Day—Nov 11th
Count how many veterans you can say "thank you" to on that day

Thanksgiving Day Nov 26th
The word "think" and "thank" begin the same. If we just THINK about our blessings, we'll find many reasons to give THANKS.

HAPPY ANNIVERSARY

Congratulation to Jack & Jan Morehead who just celebrated their 50th Wedding Anniversary with a trip

to Montreal, Canada.

Jeff & Betty Polin who celebrated their 50th Wedding Anniversary on 9-26, then enjoyed a getaway in the quiet Tennessee hills.

Also, to Dick and Beverly Miller on their 55th Wedding Anniversary. Another milestone in a fantastic journey.

These people all must have been married in their early teens.

WELCOME

To newcomers—Daryl, Norma and 13 yr. old Myles Johnson who have moved into the unit at 11558 Winding Wood Drive. Phone-823-1375
E-mail—johnson2005@sbcglobal.net

Sally Hutcherson has moved from this unit, new e-mail address
shutcheson@hotmail.com

Paul & BJ Kerr new e-mail is pnbj@comcast.net

Make changes to directory

SICK AND SHUT-IN

Lois Hines had additional surgery for her broken arm on September 30th and is recuperating at home.

Sue Shimer finally arrived home, and is now commuting to Greenfield for her rehab. Good to see her out again.

FROM SUE SHIMER

I want to thank all my friends at the Villas for their prayers, calls and cards while I was at Springhurst. I'm now home but it will be awhile before I'm back to my old self. Please continue to keep me in your prayers. Sue Shimer

NOVEMBER ACTIVITIES

Please call Patty at 823-6009 to RSVP and to coordinate the menu. Please plan to bring a salad, vegetable or desert.

RESIDENT INFORMATION

"From the Villas at Winding Ridge Resident Manual.

"It is important to take several precautions when leaving your home during freezing temperatures. Requesting a relative or neighbor check you home occasionally while you are gone is advisable. In addition, the following precautions can avoid costly repairs and damage to personal possessions.

1. Turn off the main water supply in your unit.
2. Release the water pressure on all supply lines, hot and cold.
3. Fill all drain traps in baths and kitchen with antifreeze.
4. Flush all water closets after the main water valve is turned off.
5. Set the thermostat to a temperature of 60 degrees or higher.
6. Check all windows and doors to make sure they are locked.
7. Leave a phone number or address where you can be reached with a friend or relative in case of an emergency.

FIREPLACE

Your fireplace is equipped with gas logs. Read the manufacturers operating manual for lighting and operating instructions. Once your pilot is lit, operation of the fireplace flame will be through the wall switch located adjacent to your fireplace. To turn on the flame, simply turn the wall switch on. To turn off the flame, turn the wall switch off. If the pilot light goes out, the valve has an

automatic shut-off function that should shut off all gas to the fireplace. If you wish to turn off the gas for an extended period of time, there is a manual gas shut-off located under the fireplace.

If you experience any problems with you gas fireplace not covered in the operating manual, call the subcontractor listed in this manual.

Never burn anything in your fireplace other than your gas logs. It is not a wood burning fireplace..

THANKS TO GOOD NEIGHBORS

How beautiful the yellow mums are at the Villas entrance and the Clubhouse door. Our Landscape Committee continues to do a wonderful job keeping our community beautiful.

OUR OPERATING AND REPLACEMENT RESERVE ACCOUNT INFORMATION WAS NOT AVAILABLE AT THE TIME OF PRINTING!!!
